

THE TRUSTED BUILDING
PRODUCT SUPPLIER
FOR CALGARY
HOMEBUILDERS

THE FRAMER'S CHOICE

Why Calgary's Top Framers Prefer Integrity's
Precision Wall Panels - And How it Saves
Builders Time & Money

TOP PROCESS WINS

✓ Quality & Process:

Panels arrive square, plumb and true. No wasted hours shimming walls to make them work.

✓ On-Time Delivery:

Materials are on-site when the crew is ready, keeping schedules tight and predictable.

✓ Smarter Bundling:

Bundled in the exact order they are required for assembly. Less sorting, more building.

WHAT CALGARY'S PROS ARE SAYING

"I've worked with several suppliers, but Integrity Building Products is by far the best. Their pre-fab wall systems are exceptionally well thought out and save me multiple days on every framing project. What really sets them apart is their mindset; they are constantly looking for ways to improve their process, even when things are already running smoothly. That commitment to getting better every day makes them an invaluable partner."

- Kully Narang, Alt Builders

THE DATA PROOF

○ The Premium is Proven

89% of Framers say they would pay a premium for Integrity wall panels to save labour time and eliminate headaches on the back end.

○ Speed & Execution: Driving Down Cycle Times

89% of Framers say they frame FASTER with Integrity wall panels. In a market where holding costs depend on speed, Integrity gets you to Lock-up days ahead of other manufacturers.

○ Reliability: Zero Downtime on Site

100% of Framers reported Integrity has a lower or equal error rate compared to competitors. Momentum doesn't stop for required field corrections.

Disclaimer: Survey results are based on feedback collected from framing contractors in Calgary, AB. Individual builder results, framing cycle times, and actual labor savings may vary based on project scale, design complexity, and environmental factors. Percentages rounded to the nearest whole number. May 2026
